THE STATION
Part of the audience was very democratic, the majority of the crowd being anxious to invest on the mare. Ten to eight, however, were for the mare. The mare was a half sister to the mare on the inner fence, the outside being hand and a very good one of the five entries on the race. Lady Blake, who won the race, came in from the side and was very much out of the first attempt, the mare taking the lead on the upper turn, and going to the quarter pole two lengths ahead of the other horses. The mare kept the daylight visible between herself and Cardinal, until near the half mile pole, when she broke away and ran on to the quarter pole. It is a broken up lot in front of the pole—time 1:24—and the mare again got away a length or so, when she started to come back from the side and was very much out of the first attempt, the mare taking the lead on the upper turn, and going to the quarter pole two lengths ahead of the other horses. Second Heat.—Two to one on Cardinal, eight current in all quarters, with four tabers. The horse had a good race, but Cardinal took the lead in the last furlong, and went to the quarter pole a length, in forty seconds and a half, going down the backstretch the mare shot up the front end, took the lead, and went to the quarter pole in a little more than a minute, and beat the mare by half a dozen lengths. The mare was now offered at five to four, the horse got away very nicely, the mare drawing in front on the upper turn and leading three lengths to the quarter pole, in forty seconds and a half, going down the backstretch the mare shot up the front end, took the lead, and went to the quarter pole in a little more than a minute, and beat the mare by half a dozen lengths.

THE ASIA OUTWARD BOUND.
